Versaform™ Flex (Modular)

Please set your artwork up as a multi page spread. All artwork is to be submitted a quarter of the size of the final product. These quarter size dimensions are listed on the left in bold.

Artwork check list:

- Create artwork at the desired quarter size listed on the left using Adobe InDesign.
- Add 1mm bleed
- Outline all fonts
- Save as Print Ready PDF with bleed, crop marks only and as spreads
- If using Pantones, these should be set up as Spot Colour Pantones

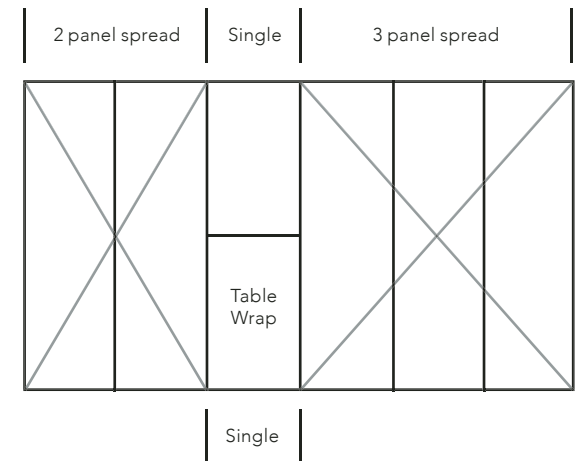

Images: Any images used must be CMYK and **320dpi** at quarter of final size.

Submission of artwork:

- Dropbox – link to shared folder can be requested from Guardian Display Ltd.
- E-mail – if compressed under 5mb, then e-mail to info@gdisplay.co.uk

NB. Allow one working day for proofing to avoid problems, templates/hard proofs can be provided upon request.

We are here to service your requirements and make sure your final product is perfect. If you need any clarification on anything in this document, please do not hesitate to contact us.
